

**October 26 2019**

**Snake River Grill, Hagerman Idaho  
12:00am-2:00pm**

**Program: Alleman Glads, Shoshone Idaho**

**Luncheon, Election of members, door prizes**

*Thank you members for your support of our two club rhizome sales. City Park was \$2460.00 and D and B supply was 494.00. We had many slow periods at both sales but I was very happy with the end results. Thank you cashiers at the park, Niki Polson, Kathy Kruse, and Sandra Ruebel. Sherry Jeff made sure each customer had a plastic sack to be filled with rhizomes. Thank you to the other members, that donated and helped the customers. This was first time EVER that every box of rhizomes had a sale card. Thank you every one who helped box up the left over irises for D and B Supply. Linda Brugger, Sherry Jeff, Sandra Ruebel and Randy Graham who worked at D and B Supply. A youth came and was so interested in the irises and was upset she couldn't be at sale at the park. The club gave her a youth membership. Thank you for my husband who helped load, unload, puts up banners and fixed all the sale boxes. We had left over rhizomes that were donated to TF Senior Citizens. I enjoyed both sales as i was able to meet new members. Thank you members for the great potluck we had. Jeanette Graham*

**Alleman Glads ([allemangladiolus.com](http://allemangladiolus.com)) John will be providing the program for the club. Great opportunity to learned how to plant and see the new varieties. He is a well known hybridizer and won many awards.**

August 12 2019 The American Iris Society posted the 2019 Awards. It is always exciting to see what makes The Dykes Medal. This year it is awarded to Mike Sutton of Sutton's Iris Gardens. Bottle Rocket' (Michael Sutton, R. 2009). Seedling# U-524-A. TB, 35" (89 cm). Early midseason bloom and rebloom. Standards orange buff flushed pink at midribs; style arms buff orange; falls ruby red veined orange, lighter veining around carrot beards, greyed-orange 1/4" rim; slight musky fragrance. Seedling# S-702-A: ('Connie Sue' x 'Let's Boogie') X seedling# R-687-A: ('Return Address' x 'Tropical Delight'). Sutton 2010. Honorable Mention 2012, Award of Merit 2014, Wister Medal 2018 The Dykes Medal 2019 It has taken nine years to make The Dykes Medal CONGRATUTIONS Sutton's Iris Garden Meridan Idaho

Registration AIS: \$13.00

### **CULTURE CORNER**

Please keep weeding as there will be a new crop in the fall. I am pulling and trimming off the dead iris leaves, but not cutting off all the green leaves. I want the growth to go the rhizome. The newer irises are putting out more blooms on the stalk. In the early spring, I clean out the dead leaves. In the fall, please spray with a fungicide so it helps stop the rot. I also add sulfur to the flower beds to help the alkaline soil. Please keep track of the new additions to your flower gardens. Each year I make a new map of my garden and keep a paper record. Our iris show, needs the name of the iris to enter. We are affiliated with the AIS. You can use Welder's paint pen on metal, or pvc pipe to make markers. The Brother Label maker and it's laminated tape works great too. The iris is like naming your children. I love the names as lots of times the name matches the color of the iris.
